Long Time Everlast Artist: Everlast Song: Long Time Capo on 2 [Intro repeat x2] C G Am F (same progression throughout entire song) [Verse 1] She was a hot blooded woman, he never saw it comin She hit him from the side that s blind She never gave a warning, he woke up in the morning Am laying there next to his Bride He got a little crazy when she had a little baby cause it filled him with a fatherly pride But a couple years later when their love started fadin he hurt so bad he nearly died [Chorus] G Am It s been a long time, since I was faithful G F It s been a long time, since I was grateful G Αm It s been a long time, since I could look you in the eye G Αm It s been a long time, since I was grateful [Verse 2] She s a mother with a daughter, sittin by the water cause it s better for her baby to breathe She got a man that s in prison cause he didn t wanna listen Now he s sittin waiting on a reprieve And she loves her lil baby but she get's a lil crazy cause it s harder than she ever conceived He left her on her own, but she s doin it alone

[Chorus]
C G Am

cause she loves him like you wouldn t believe

F

It s been a long time, since I was grateful It s been a long time, since I could look you in the eye Am It s been a long time, since I was grateful [Verse 3] He s a friend and a lover, husband and a brother He s always been a prodigal son He gets a lot of drama when he goes to see his mama cause he curses like a son of a gun He s beggin to his lady, let him see his baby He swears that she s the only one He s got a heart full of sorrow, he s livin for tomorrow and he s sorry for the damage he s done [Chorus] x2 G Αm F It s been a long time, since I was faithful G It s been a long time, since I was grateful G It s been a long time, since I could look you in the eye C G It s been a long time, since I was grateful

It s been a long time, since I was faithful

G
