Hey now, all you sinners

Put your lights on, put your lights on

Hey now, all you lovers

Put your lights on, put your lights on

Hey now, all you killers

Put your lights on, put your lights on

Hey now, all you children

Leave your lights on, you better leave your lights on

Chorus (repeat 8 x s)

There s a monster, living under my bed

Whispering in my ear

There s an angel, with a hand on my head

Say s I ve got nothing to fear

There s a darkness, deep in my soul

I still got a purpose to serve

So let your light shine, into my home

God don t let me lose my nerve

Don t let me lose my nerve
