

Watch Me Shine
Everlast

I d suggest to just play G,C and A as barres. Makes it easier...

Just play **E G C A** throughout the whole song and in the chorus **E E G E E G E E A**
G.

That s about it!

Song: Watch me shine - Everlast

[VERSE]

E G C A
Yesterday is just a dream I don t remember
E G C A
Tomorrow, still a hope I ve yet to endure
E G
I m out of time
G C
I m out of rhyme
C A
I m out of reason
E G C A
Season s change and leave me out in the cold
E G
The story s old
C A
The tale been told by many a scholar
E G
Got a fistful of dollar
C A
And pocketful of love
E G C A
God above if you hear me cryin
E G
I ve tried to sell my soul
C A
But no one s buyin
E G C A
Lord, strike me down now if I m lyin
E G
It s gettin cold
C A
It s time for dyin

[CHORUS]

E E G E E G E E A G

Come on and watch me shine

E E G E E G E E A G

Like the world is mine today

E E G E E G E E A G

Come on and watch me shine

E E G E E G E E A G

Like the world is mine today

Watch me shine
