

White Trash Beautiful
Everlast

tabbed by: Adam (March 27, 2004)

tuning: standard

i know this isn't 100% correct or anything, but if you're looking for the gist of how to play it, this should be just fine. as far as i can tell, it's pretty much just this one riff through the whole song, with him occasionally picking out other notes from these chords instead of strumming them. but this was a 10 minute tab, so none of that's here. just a nice acoustic song to play for friends.
