

**Whats Beautiful
Everlife**

Tabbed by: Michelle

Verse 1

F#m

Take a breath, easy now

(Same)

My eyes are playing tricks on me

C# **E**

Tell me the mirror must be lying

(Same)

It s not what I want to see

F#m

How can I just be me

(Same) **C#**

When I don t recognize myself

E

Wishing I was something better

(Same)

I want to be someone else

Chorus

D **B** **F#m** **A2**

Lately I ve been fighting with that girl in the mirror

D **B** **F#m** **A2**

Who decides what s beautiful

D **B** **F#m** **A2**

We are all so different, not one is the same

D **B**

Now it s time that we can all decide

(No chord) **F#m**

What s beautiful

Verse 2

F#m

Look at her, so confident

(Same)

Perfection, so appealing

C# **E**

She seems so happy but she s plastic

(Same)

It s not what I want to be

F#m

I deal with this every day

C#

I m slowly starting to break free

E

Learning how to truly love who I was made to be

(Same)

Who I was made to be

Chorus

Bridge

B **C#** **D**
I've had enough to see what's fake
E **F#m**
It's always been my choice to make
B **C#** **D** **E**
Imaginary enemy no longer has control of me
F#m
We all define what's beautiful
A2 **B**
We all define, we will decide
F#m
We all define what's beautiful
A2 **B**
We all define, we will decide
F#m **B**
Lately I've been fighting with that girl in the mirror
D **B**
Who decides what's beautiful
D B F#m A2 D B F#m
What's beautiful
