*****Capo on 8*****

G **Cadd9**
It s hard to find love that s not complicated
G **Cadd9**
It s hard to see life when we all seem so jaded
Em
I don t know, you don t know
G **Cadd9**
Why can t I find a way to show you now

G **Cadd9**
It s hard for me to smile when I get so frustrated
G **Cadd9**
The walls to your heart they re locked and they re gated
Em **G**
I don t know, you don t know I wanna find a place to go
Cadd9
Where you are

[Chorus]

G
I ve been up
Cadd9
I ve been down
G
You know my smile
Cadd9
You know my frown
Em **G**
I just love when you re around
Cadd9
I wanna be [3x]
G-Cadd9-G-Cadd9
Where you are
Where you are

***** (Repeat like the beginning) *****
from **G-Cadd9-G-Cadd9-Em-G-Cadd9**

I m walking around and I don t hear a sound
Except for the memory of a love that I ve found
I wanna see what you see, do you know what we could be

Even in the dark, I ll take your hand
And see down this road that ends where you stand
I will know, you will know
You ve given me a place to go where you are

[Chorus]

I ll give you my thoughts that I ve held for so long
Scared to let go, what if I m wrong
As I sit here tonight I don t care if I m right
I just wanna be where you are

[Chorus (2x with variation)]

=D! ENJOY! hopefully this helps you out!
