

**Flying Machine**  
**Everly**

intro: **Em G C Am** 4x

**Em**                    **G**  
Be safe and close darling  
**C**                    **Am**  
Your heart is precious to me  
**Em**                    **G**  
When you are exploring  
**C**                    **Am**  
Remember all you see  
          **D**            **A**                    **G**  
Is only the view of the world  
**D**                    **F**            **Am**  
From your flying machine

**Em G C Am** 2x

**Em**                    **G**  
So distant you wander  
**C**                    **Am**  
You've lost your way it seems  
**Em**                    **G**  
Pretending you're happy  
**C**                    **Am**  
Nobody else believes  
**D**                    **A**                    **G**  
You're ever going to come down  
**D**                    **F**            **Am**  
From your flying machine

**Em**                    **G**  
These days you are keeping  
**C**                    **Am**  
Distinguished company  
**Em**                    **G**  
The blackbird, the robin  
**C**                    **Am**  
The tiny honeybees

**Em**                    **G**  
I miss you my lover  
**C**                    **Am**

You re gone through space and time

**Em** **G**

To search for another

**C** **Am**

Won t you come back and be mine?

**D** **A** **G**

Leave all the madness behind

**D** **F** **Am**

From your flying machine

**Em** **G**

Everybody wants your magic elixir

**C**

Mix her and fix her

**Am**

Oh, that s a trick, sir

**Em**

Hold on to your hat

**G**

Watch off the black cats

**C**

**Am**

All this bewitching has taken my lover away

**Em**

Your heart is precious to me

**G**

When you are exploring

**C**

Remember all you see

**Am**

Is only the view of the world

**Em**

From your flying machine!
