[Intro] **D G Em G** x2

[Verse 1]

```

D                            G                            Em                            G
I d like to say, I make good use of my time while you ve been away.
D                            G                            Em    G                            D                            G Em G
And it s true, I ve been at my piano everyday...thinking of you...
D                            G
They talk around, I hear them whisper,
                          Em                            G
its the funniest thing really they, think you re gone forever.
D                            G                            Em                            G
I know the truth its just, getting hard to believe it...

```

```

A                            G                            A                            Cadd9
and they all tell me its over, even the stars are alligned and I,

```

[Chorus]

```

D                            A                            Em
I follow the signs so clearly and still I fall in,
                          G
the quicksand s pulling me down.
D                            A                            Em
I follow the signs so clearly and still they catch me,
                          G
the quicksand s pulling me down.

```

D G Em G

[Verse 2]

D

I m not the same,

G

Em

G

I can t sleep nights and now I m calling your name when I do.

D

G

Em

G

And yet without you they, say I get on better, and better, and better..

A

G

when they all tell me it s over,

A

Cadd9

I ll damn the gods until the stars are aligned, and I,

[Chorus]

D

A

Em

I follow the signs so clearly and still I fall in,

G

the quicksand s pulling me down.

D

A

Em

I follow the signs so clearly and still they catch me,

G

Bm

the quicksand s pulling me down..

Bm G x2

[Bridge]

Bm

Well look at my life and look at my face,

Bm

G

can t you see my heart bleeding down my sleeve?

Bm

So you re holding my hand and holding my heart,

Bm

G

but I just want to feel your breath inside me so I, can breathe.

Bm

Somewhere in the distance I catch a spark, a grace,

Bm

G

and hope for something that makes me feel like I m alive.

Bm

It s never too soon, it s never too late, so I start screaming out, I,

G

A

see your face, I see your hand, reaching out, and I yell to you and I say:

[Chorus]

guitar break in acoustic version(otherwise same as above)

I follow the signs so clearly and still I fall in

the quicksand s pulling me down.

D

A

Em

I follow the signs so clearly and still they catch me,

G

the quicksand s pulling me down
