 C **G** **Am** **F**
Than to find myself in a perfect life without you

In a world without you

Interstate calls from a pay phone
Am **F** **C**
Enough small talk, when you coming home?
 Am **F** **C**
I try to memorize the lines on your face
 Am **F** **C**
But right before my eyes you re gone without a trace

Am **F**
I would rather lose it all
 C **G** **Am** **F**
Than to find myself in a perfect life without you
 C **G** **Am** **F**
Cos I would rather leave behind a dream come true,

C **G** **Am** **F**
Than to wake up in an empty world without you
 C **G**
In a world without you
