VERSE ONE:

A
It was the type of feeling that, can t be explained

F#
The way she moved her lips and it drove me insane

D **A**
And now I m left here in the wake of something more

A
She made it hard to leave as she stood by the door

F#
In a v-neck t-shirt and

D **A**
Nothing more than a single tear Rolling down her cheek. Whooooaa

CHORUS:

A **F#**
Don t go away again, I want to be more than a phone call at 4 A.M.

D
Seems like every time you come back home

E **A**
It s just to steal my heart and leave

A **F#**
Don t go away again, I want to be more than a story to tell your friends

D
Seems like every time you come back home

E **A**
It s just to make me fall again

VERSE TWO: (same as verse one)

It s getting hard I know, believe me I feel you
When I can t fall asleep knowing your not home
Is it too much to ask, can t you just pick up the phone? (Can t just pick up the phone)

We ve had our share of fights
I know its not easy when I m never home
I have my own dreams
Like you have your life planned out back home

CHORUS:

A **F#**
Don t go away again, I want to be more than a phone call at 4 A.M.
D
Seems like every time you come back home
E **A**
It s just to steal my heart and leave
A **F#**
Don t go away again, I want to be more than a story to tell your friends
D
Seems like every time you come back home
E **A**
It s just to make me fall again

F# **C#** **F#**
And time, will always stand between us and hold you so high
D **E***
Just enough to watch you fade
F# **C#**
Tonight you ll cry yourself asleep
D **E***
As I lie awake in some far off city
F# **C#**
Pretend your lying next to me
D **E*** **D**
Eyes wide open dreaming of you.

A **F#**
Don t go away again, I want to be more than a phone call at 4 A.M.
D
Seems like every time you come back home
E **A**
It s just to steal my heart and leave

CHORUS:

A **F#**
Don t go away again, I want to be more than a phone call at 4 A.M.
D
Seems like every time you come back home
E **A**
It s just to steal my heart and leave. WHOOAA

A **F#**
Don t go away again, I want to be more than a story to tell your friends
D
Seems like every time you come back home
E **A**
It s just to make me fall again
A
Just to make fall again
