

**Tell Me Im A Wreck**  
**Every Avenue**

Basically, the exactly the same as version 1, but with B flat written as Bb so that it can be transposed for use with a capo if needed :)

**F**

I could have been easier on you

**C**

**Dm**

I could have been all you held on to

**C**

**Bb**

**C**

I know it wasn't fair, I tried my best to care

**F**

about you

**F**

I know I could have been a better man

**C**

**Dm**

But I always had to have the upper hand

**C**

**Bb**

**C**

I'm struggling to see the better side of me

pre-chorus

**Dm**

**C**

But I can't take all your jabs and taunts

**Bb**

**C**

Your pointing out my every fault

**Dm**

**C**

And you wonder why I walked away

chorus

**F**

**C**

When you tell me I'm a wreck, you say that I'm a mess

**Dm**

**Bb**

How could you expect anything less

**F**

**C**

**Bb**

You latched on to me then cried I strung you along

**F**

**C**

I told you when you asked, I knew this wouldn't last

**Dm**

**Bb**

At least I could be honest about that

**F**

**C**

**Bb**

And now you're telling everyone how I only did you wrong

I guess you never knew me at all

**F**

**C**

verse 2

**F**

Remember on my 21st birthday

**C**

**Dm**

You took me where we went on our first date

**C**

**Bb**

**C**

we stayed till closing time, after four glasses of wine

**F**

You started with a pointless argument

**C**

**Dm**

Said that I forgot to compliment

**C**

**Bb**

**C**

The dress you wore that night, that I've seen a thousand times

pre chorus

**Dm**

**C**

But I think we just want different things

**Bb**

**C**

I want space, you want a diamond ring

**Dm**

**C**

Whatever made you think we were meant to be?

chorus

**F**

**C**

When you tell me I'm a wreck, you say that I'm a mess

**Dm**

**Bb**

How could you expect anything less

**F**

**C**

**Bb**

You latched on to me then cried I strung you along

**F**

**C**

I told you when you asked, I knew this wouldn't last

**Dm**

**Bb**

At least I could be honest about that

**F**

**C**

**Bb**

And now you're telling everyone how I only did you wrong

I guess you never knew me at all

bridge

**F**

**C**

**Dm**

**Bb**

chorus

**F**

**C**

When you tell me I'm a wreck, you say that I'm a mess

**Dm**

**Bb**

How could you expect anything less

**F**

**C**

When you tell me I'm a wreck, you say that I'm a mess

**Dm**

**Bb**

How could you expect anything less

**F**

**C**

**Bb**

You latched on to me then cried I strung you along

**F**

**C**

I told you when you asked, I knew this wouldn't last

**Dm**

**Bb**

At least I could be honest about that

**F** **C** **Bb**  
And now you re telling everyone how I only did you wrong

**F**    **C**    **Bb**

But still I see you standing there waiting around for me to fall

**F** **C** **Bb**  
 Girl you must be crazy still believing you and me belong

I guess you never knew me at all
