

The Story Left Untold  
Every Avenue

(intro) Bm Asus4 A

Bm Asus4 A

Everything you own

Bm Asus4 A

In a suitcase by the door

Bm Asus4 A

The words that keep you home

Bm

Are failing

Bm Asus4

Everything we take

A

Out in anger

Bm Asus4

Eventually we ll break

A

Down to answers

Bm Asus4 A

That are ringing in my head

G

Slow down

A

Take a deep breath

G

A

We can t give up tonight

D

A

Is it right to sit and watch this die?

Bm

We re slowly letting go

G

Like its better left alone

D

A

So erase the damages we ve made

Bm

G

The story left untold is better than you know

A

Oh..., is better than you know

(instrumental) Bm

Bm Asus4 A

Of all the nights we spent wrapped in blankets

Bm Asus4 A

The mattress on the floor we now hold sacred

**Bm** **Asus4** **A**

You were my best friend

**G**

Slow down

**A**

Take a deep breath

**G**

**A**

We can't give up tonight

**D**

**A**

Is it right to sit and watch this die?

**Bm**

We're slowly letting go

**G**

Like it's better left alone

**D**

**A**

So erase the damages we've made

**Bm**

**G**

The story left untold is better than you know

**G A Bm G A Bm**

Oh... Oh...

**G**

So much more to say

**Bm**

Suspended in the air

**G**

Between the truth and rights in place

**Bm**

Spilling over everything

**G**

Before you slip away

**Bm**

Before you slip away from me

**G A**

Slow down
