

**Whatever Happened To You
Every Avenue**

[Intro]

Bbm Ab Gb Ab Bbm Ab Gb F

[Verse 1]

Bbm Gb
You got your little pills, some kind of cheap thrills
Db Ab
We use to bet who d be the first one to make it out
Bbm Gb
You ve got your airwaves some chemicals save
Db Ab
We re running circles round the same thing aren t we now

Gb Ab
Tear my love away I ll run the hell away
Bbm Db
Cause I don t recognize the face in front of me

[Chorus]

Gb Ab
I am the same as I was when I was younger
Bbm Db
Whatever happened to you?
Gb Ab
I haven t changed but the lines on my face
Bbm
I m still a person and you
Db
Whatever happened to you?

[Verse 2]

Bbm Gb
You know you had a chance the world in your hands
Db Ab
You could have had it all if you d have got your shit straight
Bbm Gb
You re on the deep end and now your old friends
Db Ab
Are sick of drowning in your sorrows listen now

Gb Ab
We fought the same fight and i stood by your side
Bbm Db

But I can't stick around and watch you crumble

Gb **Ab**

Time will never wait till I learn the hard way

Bbm **Db**

Cause I won't recognize the face in front of me

[Chorus]

Gb **Ab**

I am the same as I was when I was younger

Bbm **Db**

Whatever happened to you?

Gb **Ab**

I haven't changed but the lines on my face

Bbm

I'm still a person and you

Db

Whatever happened to you?

Gb **Ab** **Bbm** **Db**

I am the same as I was when I was younger

[Chorus]

Gb **Ab**

I am the same as I was when I was younger

Bbm **Db**

Whatever happened to you?

Gb **Ab**

I haven't changed but the lines on my face

Bbm

I'm still a person and you

Db

Whatever happened to you?
