

Ill Get Over It
Everyday Sunday

I m not sure if it s correct but I m pretty sure.
have fun!!

Intro:

C F Am F

Verse 1:

C

She came over last night

F

and said she wanted to talk

Am F

But I didn t think she seemed herself

C

She wore my favorite blue shirt

F

and tonight I knew

Am F

I didn t wanna be with anyone else

Verse 2:

C

And then the next 10 minutes

F

of my life were a blur

Am

F

I couldn t believe what she said

C

F

She said she thought that we might be better off friends

Am

F

I said I thought I d be better off dead

Bridge:

C

Knees are shaking

F

and these palms are sweating

Am

while this heart is breaking

C F Am C (or something Iâ€™m not sure)
can this be ordinary love?

Chorus:

C

G

Am

Whoa Whoa

Am **F** **C** **F**
Just close your eyes, it ll all be over soon

Verse 3:

C **F**
Now I m sitting here, trying to find inside
Am **F**
all the right words to say
 C **F**
But I m still choking from the fumes
Am **F**
from when she drove away

Repeat bridge and chorus several times
