

**Missing**

**Everything but the Girl**

[Intro]

**Bm**

[Verse]

**Bm**

Step off that train

**F#m7**

Walking down your street again

**Bm**

Past your door

**A**

I guess you don't live there anymore

**Bm**

It's years since you've been there

**F#m7**

**Bm**

And now you've disappeared somewhere

Like out of space

**A**

You've found some better place

[Chorus]

**Bm G**

And I miss you

**A**

**Em**

Like a desert's missed the rain

**Bm G**

And I miss you

**A**

**Em**

Like a desert's missed the rain

[Verse]

**Bm**

Could you be dead?

**F#m7**

Always were two steps ahead

**Bm**

Of everyone

**A**

Walked behind while you run

**Bm**

I look up by your house

**F#m7**

**Bm**

And I can almost hear you shout down to me

**A**

Where I always used to be

[Chorus]

**Bm G**

And I miss you

**A**

**Em**

Like a desert s missed the rain

**Bm G**

And I miss you

**A**

**Em**

Like a desert s missed the rain

[Verse]

**Bm**

Back on the train

**F#m7**

Asked why did I come again

**Bm**

Can I confess

**A**

I ve been hanging your old address

**Bm**

Years have proved

**F#m7**

To offer nothing since you moved

**Bm**

Your long gone

**A**

And I can t move on

[Chorus]

**Bm G**

And I miss you

**A**

**Em**

Like a desert s missed the rain

**Bm G**

And I miss you

**A**
