one place
everything but the girl

A
A summer evening; I walk past the window,
D
Baby s crying; Someone s cooking dinner;
A
There s laughter on the TV
Someone s learning the violin.
E
How at home, it heals
D
At times like this, I feel that...

CHORUS:

A **D**
I would like to live like anybody else
E
In one place **D**
A
And I could be happy and fulfilled
E
In one place
A
So I get the map out
And draw a line of where we ve been
D
It goes thru sea and sky
A

Twenty-five planes this year

D

And it s only July...

E

This is not some Bible, like on the road

D

It s just a song about coming home

And whether...

CHORUS:

A

D

I would like to live like anybody else

E

In one place

A

D

And I could be happy and fulfilled

E

In one place

E

And you know that I have found

D

That I m happiest weaving from town to town

E

And you know Bruce said

we should keep moving round

D

A

Maybe we all get too tied down, I don t know

D

Hell, I don t know

A

I m happy to be home (Still alive)

D

Happy to be home...

E

In the end, if you take care

D

You can be happy or unhappy anywhere

CHORUS:

A

D

And I think we maybe all rely too much

E

On one place

A

D

I know I never would deny the need

E

For one place

A

So I get the map out (get the map out)

D

Yeah I get the map out (get the map out)

A

C mon, get the map out (get the map out)

D

Get the map out (get the map out)

(repeat & fade)
