one place
everything but the girl

Bb
A summer evening; I walk past the window,
Eb
Baby s crying; Someone s cooking dinner;
          Bb
There s laughter on the TV
Someone s learning the violin.
F
How at home, it heals
    Eb
At times like this, I feel that...

CHORUS:
Bb   **Eb**
I would like to live like anybody else
F
In one place
        Bb   **Eb**
And I could be happy and fulfilled
F
In one place

        Bb
So I get the map out
And draw a line of where we ve been
Eb
It goes thru sea and sky
Bb

```
Twenty-five planes this year
                          Eb
And it s only July...
            F
This is not some Bible, like on the road
      Eb
It s just a song about coming home
And whether...

CHORUS:
Bb                                        Eb
I would like to live like anybody else
F
In one place
        Bb                                        Eb
And I could be happy and fulfilled
F
In one place

        F
And you know that I have found
              Eb
That I m happiest weaving from town to town
                              F
And you know Bruce said
we should keep moving  round
          Eb                                        Bb
Maybe we all get too tied down, I don t know
                      Eb
Hell, I don t know
                        Bb
I m happy to be home (Still alive)
                    Eb
Happy to be home...

F
In the end, if you take care
Eb
You can be happy or unhappy anywhere

CHORUS:
        Bb                                Eb
And I think we maybe all rely too much
F
On one place
Bb                                        Eb
I know I never would deny the need
F
For one place

        Bb
So I get the map out (get the map out)
            Eb
```

Yeah I get the map out (get the map out)
        Bb
C mon, get the map out (get the map out)
Eb
Get the map out (get the map out)

(repeat & fade)
