one place
everything but the girl

G
A summer evening; I walk past the window,
C
Baby s crying; Someone s cooking dinner;
G
There s laughter on the TV
Someone s learning the violin.
D
How at home, it heals
C
At times like this, I feel that...

CHORUS:

G **C**
I would like to live like anybody else
D
In one place **C**
G
And I could be happy and fulfilled
D
In one place
G
So I get the map out
And draw a line of where we ve been
C
It goes thru sea and sky
G

Twenty-five planes this year

C

And it s only July...

D

This is not some Bible, like on the road

C

It s just a song about coming home

And whether...

CHORUS:

G

C

I would like to live like anybody else

D

In one place

G

C

And I could be happy and fulfilled

D

In one place

D

And you know that I have found

C

That I m happiest weaving from town to town

D

And you know Bruce said

we should keep moving round

C

G

Maybe we all get too tied down, I don t know

C

Hell, I don t know

G

I m happy to be home (Still alive)

C

Happy to be home...

D

In the end, if you take care

C

You can be happy or unhappy anywhere

CHORUS:

G

C

And I think we maybe all rely too much

D

On one place

G

C

I know I never would deny the need

D

For one place

G

So I get the map out (get the map out)

C

Yeah I get the map out (get the map out)

G

C mon, get the map out (get the map out)

C

Get the map out (get the map out)

(repeat & fade)
