one place  
everything but the girl

#### G#

A summer evening; I walk past the window,

#### C#

Baby s crying; Someone s cooking dinner;

#### G#

There s laughter on the TV  
Someone s learning the violin.

#### Eb

How at home, it heals

#### C#

At times like this, I feel that...

CHORUS:

#### G#

#### C#

I would like to live like anybody else

#### Eb

In one place

#### G#

#### C#

And I could be happy and fulfilled

#### Eb

In one place

#### G#

So I get the map out  
And draw a line of where we ve been

#### C#

It goes thru sea and sky

#### G#

Twenty-five planes this year

**C#**

And it s only July...

**Eb**

This is not some Bible, like on the road

**C#**

It s just a song about coming home

And whether...

CHORUS:

**G#**

**C#**

I would like to live like anybody else

**Eb**

In one place

**G#**

**C#**

And I could be happy and fulfilled

**Eb**

In one place

**Eb**

And you know that I have found

**C#**

That I m happiest weaving from town to town

**Eb**

And you know Bruce said

we should keep moving round

**C#**

**G#**

Maybe we all get too tied down, I don t know

**C#**

Hell, I don t know

**G#**

I m happy to be home (Still alive)

**C#**

Happy to be home...

**Eb**

In the end, if you take care

**C#**

You can be happy or unhappy anywhere

CHORUS:

**G#**

**C#**

And I think we maybe all rely too much

**Eb**

On one place

**G#**

**C#**

I know I never would deny the need

**Eb**

For one place

**G#**

So I get the map out (get the map out)

**C#**

Yeah I get the map out (get the map out)

**G#**

C mon, get the map out (get the map out)

**C#**

Get the map out (get the map out)

(repeat & fade)
