

Kickstarts

Example

Intro

F F F F

F

You want me to come over I got an excuse

F

Might be holding your hand but im holding it loose

F

Go to talk then we choke its like our necks in a noose

F

Avoid the obvious we should be facing the truth

Dm

Start to think it could be fizzling out

C

Kinda shocked because I never really had any doubts

A#

Look into your eyes imagine life with out ya

F

And the love kick starts again

Gm

A#

Starts again

F

The Love kick starts again

Gm

A#

Starts again

F

Gm

Its the same old you the same old me

You get bored and I get cold feet

A#

Get high get wandering eyes

Forget ive never ever had it so sweet.

F

Gm

I realise what I got when Im out of town Cos deep down youre my girl in a golden crown

A#

My princess and I dont wanna let you down

No I Dont wanna let you down down down down.
