D
why

Em   **C**
Do we take it too far, take it too far?
G   **D**
Did we chase the rabbit into wonderland?
       Em
Lose a hundred grand,
C
Will they understand
G   **D**
It was all to stay awake for the longest (longest, longest,longest,longest)

Verse 1:
Em
March on, always after us
C
Lost troops, half the class of us
G
You man ain t seen the last of us
D
Stick around yeah like Elastoplast
Em
Not half mast,
C
Raise the flag, kick the sand
G
To let you know that we re coming

D
And we re nasty men
Em
Don t need sleeping beauty
C
No, it s what you did to me
G
Come midnight and daybreak
D
Yes please go find me a name sake
Em
We got faith, but don t need bibles
C
Take the michael,

Hear my recital
G
While I hold the title
D
Quite vital

We get high on the opposite of Nytol

Em   **C**
It was all to stay awake for the longest time
         G
It was long, it was wrong
        D
But it felt so right
G
See you at the finish line
G
See you at the finish line
D
If you got the heart to join us

[Chorus] x1
