Flow
Extreme

intro

Dm   C   G   Am7

E   C   E
pull the shades lock the door
              Am   C   F
somebody is looking for vovo
                  C   E
she don t wanna come out today
                  Am   C   F
she would rather stay inside and play
C   E
all day she ll stay
                  Am   C   F
holding all her children in her arms
C   E
away from harm

it s all she ever wanted

E   D   E
i was only just beginning to say
                  D   E
all the things that couldn t be said
                  D   E   D
then they come and take you away

F   C
i love you i love you
G   Am
i don t care who hears me
F   C   G
i know that it s uncool to sing it
Am   F   C
it s just that i m tired of trying
G   Am
to find different ways to say that
F   C
i love you i love you
G   Am
it s all that i m feeling

E   C   E
someone please shed some light

```
            Am          C       F
where is the narrator in my life
                  C                  E
maybe he doesn t know where i ve fled
                       Am   C     F
running through the city in my head
C         E
i shed regret

E                         D
now i see the credits rolling
     E
the end
                     D          E
this movie can t be over not yet
                  D
there s no happy ending no one said

i love you
```
