Ghost

Extreme

C C/B Tell me, there s no need to be afraid Am They re only shadows cast, past this place C Bb Where voices carry at the speed of sound Am G If I should cry before they lay me down

 \mathbf{F} Am Sorry for the words, words I left unsaid F Am Sorry being one of the words I did forget \mathbf{F} G# All the time we spent, wasted in the end Am G Every precious moment taken for granted \mathbf{F} There in the corner of my mind Am Lies the weight of my regret F Between the shadow and the light G Ghost you re in my head C C/B Shelter from the storm when I sleep

Am There s comfort in the morn, a siren sings C Bb If only for a moment, I can breathe Am G The thought of you comes crashing through on me

FAmSorry for the words, words I left unsaidFAmSorry being one of the words I did forgetFG#All the time we spent, wasted in the endAmGEvery precious moment taken for grantedFThere in the corner of my mindAmLies the weight of my regret

 \mathbf{F} Between the shadow and the light G F Am Ghost you re in my head \mathbf{F} G Ghost you re in my head С Tell me, there s no need to be afraid Am They re only shadows cast past has played С вb Where voices carry at the speed of sound Am G If I should die before I lay me down (**F** Am) (**F** Am) (**F G#**) (Am G) \mathbf{F} Am I m sorry for the way, the way I treated you F Am A little bit too late, but if you only knew F G# I d take away the pain, pain I put you through Am G I d do it all again walking in your shoes F There in the corner of my mind Am Lies the weight of my regret F Between the shadow and the light G \mathbf{F} Am Ghost you re in my head F G Ghost you re in my head (CAMCAM)
