

**Unconditionally
Extreme**

Well I tried and this is what I came up with. Drop the E down to D.
Maximize the screen because if you re looking at it in a small window it
won t look right. I hope you re using Netscape. I don t know what it s
going to look like with some other browser. Hope it turns out fine.
Tell me if it s sounds OK to you?

Sounds like Nuno stays with the same thing throughout the Verse. There are a little variances though.

I m going to work on the rest of the song, and as I go I ll try to send it out to you. With the Christmas holidays upon us I should have some extra time on my hands because I m out of college for the holidays.

Tell me what you think?

Adios,

Jaymz
