New York City can be so pretty

**C#m7 E C#m7 F#/G#**

From a bird s eye view

**B Ebm7**

Because up there

**B/F# Ab/Eb Ebm Bb7 C#m E C#m7 F#aug**

Yeah, that s where I first kissed you

**B7 Abm6**

A modern day romance

**E6**

A perfect performance

**Ebm7 D B6 F#7**

Acting like two fools

**B6**

Saying silly things

**E7**

Whisper sweet nothings

**Ebm7 Bb7 F# F#aug**

Like young lovers only do

**B7 F#6**

I was shaking

**Bb7/D**

You were breathtaking

**C#m7 E7 F#7**

Like the Empire State

**B7 F#6**

My voice was so far

**Ebm Ab**

Not quite Sinatra

**C#m7 F#**

Singing songs so great

**B6**

The clock struck one

**E6**

The night still very young

**Ebm7 D B6 F#7**

In the city that never sleeps

**B6**

Then a whirl wind blew

**E7 C# E7**

When I first kissed you

**Ebm7**

Nearly swept me

**Bb7 Ab F# F#aug**

Swept me off my feet

**E F#7 B7 D Bm6**

**E7**

When I first kissed you

**F#7**

That s when I knew

**B7 C#m C7 Eb**

**F/Eb Eb F B Ebm D C#m7 E/F# F#7**

I first kissed you
