Curt plays broken chords during the intro and verse, I think you can work it out for yourself.... heres the chord progression:

Intro:

Verse:

D	B/G	D	A
Isn t what I said			
D	B/G	D	A
World is sick in bed

Roses painted red			
D	B/G	D	A
Pounding in my head			

Chorus:

B
Silence is better
A

x2

Solo is on the G string, bend it up around the 7th and 9th frets, then in the second half whack on the distortion and go up to around 12.
