We say it s okay to leave it alone  
 But i want u to notice  
 This case isn t closed  
 Doors are open  
 The lights are left on  
 And there s never a night I sleep  
 With the dreams that I d have if u never decided  
 Decided to leave  
 Decided  
 Decided to leave...

There s never an ounce that I breathe  
 Without thinking about  
 Who i could have been with you  
 There s never an ounce that I breathe  
 Without thinking about  
 Who I could have been if you didn t leave

**Em7** **A**  
 The phone s been patient to hear your call.

**B7**  
 But you never touched the dial

**Dsus2**  
 You never touched the dial, now I know

**Em7** **A**  
 There s someone I wish walked through these halls

**B7** **Dsus2**  
 But you ll never take the chance to come home  
 So come home

**G** **B**  
You say we can learn from this

**C**  
But I just don't know

**D**  
what to do without you anymore

**G** **B** **C**  
your absence has taken its toll on me

**D**  
what I should believe

I just can't believe

there's never an ounce that I breathe  
without thinking about who I could have been with you  
there's never an ounce that I breathe without thinking about who I could have  
been  
if you didn't leave

the phone's been patient to hear your call  
but you never touched the dial  
never touched the dial  
and now I know  
there's someone I wish walked through these halls  
but you never take the chance to come home  
so come home

**C** **A**  
you say it isn't my fault

so I steer away

**E**  
I put off the pain

**D**  
for another day

**C** **A**  
you think it wouldn't be tough

**E**  
8 years were never enough

**D**  
I'll wait for you

**C**  
if you'll never change

**A**  
I will be okay

**E** **D**  
but I'll still stay up for you

**C** **A**  
just in case you make the time for the right move

the phone's been patient to hear your call  
but you never touched the dial

you never touched the dial  
and now i know  
there s someone i wished walked through these halls  
but you ll never take the chance to come home  
so come home

there s someone i wished walked through these halls  
but you never touched the dial  
you ll never touch the dial  
and now i know  
the phones been patient to hear your call  
but you ll never take the chance to come home  
and you ll never take the chance to come home  
just come home...
