- A - x02220
- G - 320033
- F# - 244322
- Gm - 355333

Intro: Bm-D-A-G

Verse 1:

Bm D  
Glass hailed from the sky that night  
A G  
I couldn t hide to save my life  
Bm D  
Standing drenched in open wounds  
A G  
You took my hand and pulled me through

Chorus 1:

G A Bm F#  
I want to give you everything  
G A  
I ll give you my all  
Bm F# G  
Because you gave me, you gave  
A Bm F# G  
me your lips a gentle kiss  
Gm  
The medicine to cure my pain

Interlude: Bm-D-A-G

Verse 2:

**Bm**                    **D**  
Listen to all of this glass shatter  
    **A**                    **G**  
It pierced my ears and made them bleed  
**Bm**                    **D**  
Now it sounds so beautiful  
                    **A**                    **G**  
cause you re beautiful you re beautiful

(Repeat Chorus 1)

Chorus 2:

**G**            **A**            **Bm**            **F#**  
  I want to give you everything  
            **G**            **A**  
I ll give you my all  
    **Bm**            **D**            **G**  
Because you gave me, you gave  
**A**            **Bm**            **F#**            **G**  
me your lips a gentle kiss  
                    **Gm**  
The medicine to cure my pain

Outro: Bm-D-A-G-Bm-A-G--
