G|-----------------------14-------------------------14-14-16-|
D|----0-0-----0-0-----0-0-----0-0-----------------------------| x2
A|------------------------------------------------------------|
E|------------------------------------------------------------|
```

```
e|-14-----------------12--------------------------12-14-15-14----|
B|----15-15--15-----------15-15--14----15--14-15----15------------15-|
G|--------------14-14-------------14----------14-----------------|
D|----------------------------------------------------------------|
A|----------------------------------------------------------------|
E|----------------------------------------------------------------|
```

```
e|-14-----------------12-------------------------|
B|----15-15--15-----------15-15--14----15--14-15----|
G|--------------14-14-------------14----------13-|
D|-----------------------------------------------|
A|-----------------------------------------------|
E|-----------------------------------------------|
```

Chorus 1:
C#m   **A**
Hush, don t speak a word

                                      E
about the dreams that I live for

              B   **G#/C**   **C#m**

```
It hurts to reach you when Iâ€™m down
              A
Donâ€™t speak again I m
                        E
still waiting for my turn
             B            G#/C
It hurts to reach you when Iâ€™m down

Verse 1:
A
   My dreams are growing into
                               C#m
Frustrations when I hear your voice
                      B         C#m
(Feeding me till Iâ€™m choking)
                         E
(Feeding me till Iâ€™m choking)
A
   My ears are ringing louder
                               C#m
Repeating words that bring me down
                      B         C#m
(Ringing, my ears are bleeding)
                         B
(Ringing, my ears are bleeding)

Refrain:
A
   So hold your breath and spare me
C#m                        B
   (The pointless conversation
C#m                        B
   (Iâ€™m running out of patience)
A
   Donâ€™t blame me for trying to (reach)

Guitar 2:
e|-2-------------2----------------|
B|---0-3-2---------0-3-2-----------|
G|---------2-4-----------2-4-----0-|
D|------------2------------2-4---| x4
A|--------------------------------|
E|--------------------------------|

(Repeat Chorus)

Verse 2:
A
```

```
   As you are moving forward
                            C#m
I feel as if I can t catch up
                      B             C#m
(Trying so hard to reach you)
                      B
(Trying so hard to reach you)
A
   Iâ€™m stuck here at the bottom
                                 C#m
Youâ€™re too high up to come back down
                      B           C#m
(Trying so hard to reach you)
                      B
(Trying so hard to reach you)

(Repeat Refrain and Chorus 1)

Interlude: G--Bm--G

Bridge:
C#m                  E
   Silence your harsh words my dear
A
   My ears are ringing of this
B
   I can t stop thinking of it
(I try to reach you but I fall)
(Repeat x4)

Chorus 2:
C#m                       A
Hush, don t speak a word
                              E
about the dreams that I live for
             B                C#m
It hurts to reach you when Iâ€™m down
            A
Donâ€™t speak again I m
                    E
still waiting for my turn
         B                    A(hold)
It hurts to reach you when Iâ€™m down
```
