E **C** **A**
I got a history in this town,
E **C** **A**
I think that I should move,
Thereâ€™s nothing round here that I havenâ€™t done,
And Iâ€™ve got nothing here left to prove,
Thereâ€™s nowhere round here that I havenâ€™t been in more ways than one,
I got a history in this town,
Now I think Iâ€™m done and I say:

(Chorus)

Hotel, Motel, Trust-House, Forty,

You make me feel nice, you make me feel naughty,

You make me wanna keep the lights on,

You make me wanna keep the lights on.

I got a history in this town,
I think that I should go,
Everyone just sees me around,
And thereâ€™s no-one here that I donâ€™t know,
Thereâ€™s nothing, no-one, nowhere round here that doesnâ€™t leave me feeling
blue,
I got a history in this town,
And a future somewhere else with you and I say:

(Chorus)

(Bridge)

D
Such a little girl, the best Iâ€™ve ever seen,
E **C** **A**
Oh wonâ€™t you come and be my illuminated dream.

I want you like a power station,
I want you like a power station,
I want you about a power stationâ€™s worth of illumination and I say:

(Chorus)

â€|You make me wanna keep the lights on (repeat)
