

Fall In Love With My World
Ezra Furman & The Harpoons

Capo 5th fret

C **F**
I sat all alone in my bedroom
C **F**
I knew I would have to move out soon
C **Am**
My things were all packed in a box
Dm
I had no key for the locks
G **G7**
And I felt like a lantern s flame

C **F**
Sometimes I take my bike out for joyrides
C **F**
When loneliness is flooding my insides
C **Am**
I ride in the beautiful dark
Dm
And my little red heart
G **G7**
Fills with something that I can t name

C **F**
It s time for the ultimate showdown
C **F**
The moon s rising up in my throat now
C **Am**
And I m whispering in the ears
Dm
Of anyone who will hear
G **G7**
And I m asking you just one thing

F **C**
To fall in love with my world
Dm **G**
Baby, won t you fall in love with my world
Am **G** **F Fm**
Please fall in love with my world, for a while
C
You know I d do it for you
E **Am**
I would do it for you
G **F**
If you wanted me to

Fm

I would do it for you

G G7

Fall in love with my world

C

F

Hear the sound of my voice on your pillow

E

Bb F

And dream till you've had your fill

Dm

G

I'm that fogged up face in your window

Dm

G

Baby, I'm the lonely face in your window

Dm

G

I wanna be that fucked up face in your window

F

C

G

And even if I can't come in, I'd like to have

F

C

G

The chance to touch your hand through the glass

F

C

G

F G C

If I can't come in I'd like to have the chance
