Fall In Love With My World Ezra Furman & The Harpoons

Capo 5th fret

C F

I sat all alone in my bedroom

C F

I knew I would have to move out soon

C Am

My things were all packed in a box

Dm

I had no key for the locks

G G

And I felt like a lantern s flame

C F

Sometimes I take my bike out for joyrides

C F

When loneliness is flooding my insides

C Am

I ride in the beautiful dark

Dm

And my little red heart

G G

Fills with something that I can t name

C E

It s time for the ultimate showdown

न

The moon s rising up in my throat now

C Am

And I m whispering in the ears

Dm

Of anyone who will hear

G G

And I m asking you just one thing

F

To fall in love with my world

m (

Baby, won t you fall in love with my world

Am G F Fm

Please fall in love with my world, for a while

C

You know I d do it for you

E Am

I would do it for you

G F

If you wanted me to

Fm

I would do it for you

G G7

Fall in love with my world

C

Hear the sound of my voice on your pillow

E Bb

And dream till you ve had your fill

I m that fogged up face in your window

Dm G

Baby, I m the lonely face in your window

Dm G

I wanna be that fucked up face in your window

F C G

And even if I can t come in, I d like to have

F C G

The chance to touch your hand through the glass

F C G FGC

If I can t come in I d like to have the chance
