(VERSE)

**Em C G**  
My baby went out with her family to a ski resort in Colorado  
**Em C G**  
Well she put on her skis and she slid down hill  
**Em C G**  
Yeah she slid downhill in her bright red mufflers  
**Em C G**  
My baby went out with her family to a ski resort in Colorado  
**Em C G**  
And left me all along for a couple of weeks,  
**Em C G**  
Well she called me up, she said I love you in the middle of the night  
**Em C G**  
I said In the middle of the night everybody loves everybody else these days  
**Em C G**  
She said Oh, in the middle of the day I love you very much  
**Em C G**  
I said Everybody loves each other these days

**Em C G**  
I said I don t ever get to go on any vacations  
**Em C G**  
I said I ve gotta go to work every day  
**Em C G**  
I said You get to slide downhill in your bright red mufflers  
**Em C G**  
She said I love you, oh I love you in the middle of the day,  
  
and she said

(chorus)

**Em D C**  
Take off your sunglasses  
**Em D C**  
I don t wanna take my sunglasses  
**Em D C**  
Take off your sunglasses  
**Em D**  
I said baby the sun is bright  
**C**  
I need my sunglasses

(SAME AS THE VERSE)

And then I woke up in the middle of the night

one night and I felt so unworthy

I said I woke up in the middle of the night

one night and I felt so unworthy

It didn't bother me too much, I think I am unworthy

And everybody's unworthy of everybody else these days

Everybody's unworthy of everybody else these days

And I don't need to think about things I don't want to think about

She called me up in the middle of the day

She said I love you in the middle of the night

I said In the middle of the night

everybody loves everybody else in the middle of the day

She said

(chorus)again

(SAME AS THE VERSE)

I don't want to think about

things I don't want to think about in the middle of the night

In the middle of the day I don't want to think about

things I don't want to think about in the middle of the night

I don't want to think about it

I don't want to think about it

I don't want to take off my sunglasses

Everybody's unworthy and

Everybody loves everybody else and

Everybody takes off their sunglasses

Oh baby I don t want to fall into the patterns

Oh baby, she said

(SAME AS THE CHORUS)

Take off your sunglasses

I don t wanna take my sunglasses

Take off your sunglasses

I said that s like me asking you to take out your shoelaces

So she took out her shoelaces
