[Verse 1]

**G**  
Real calm cause you ve seen it all  
**G**  
One day though you ll take a fall  
**Am G**  
Wrong side of McGregor s wall  
**D G**  
Suddenly your heart is like a tennis ball  
**D**  
Up and down and side to side  
**C**  
Surf so hard you d think you d died  
**G**  
No love for you  
**Am**  
**G D**  
Wake up and you feel confused  
**G**  
Slight frown as you read the news  
**C**  
Each day, gotta pick and choose

The same old sides

The me s and you s

**D**  
But it s alright, you re welcome here

Even certain carnivores are in the clear

**G**  
I promise you

**C**

[Chorus]

**G D**  
Wind blows and heaven knows  
**Em D**  
That sun can turn to rain  
**C Am G D**  
There s nothing much to fear though  
**G D Em D**

Doors close and we all know that love can turn to pain

**C Am G D**  
So let s be each other s heroes  
**G Bm C**  
No gate, no wall could ever split us up  
**G D**  
Our love s forever  
**G D Em Bm C**  
No hate, no fear could ever keep us down  
**G D G D G**  
We ll stick together

[Verse 2]

**G**  
Life s nice on a sunny day  
  
French press and a plate of hay  
**C**  
Some days can t escape the fray  
**G**  
Crazily careening like a bird of prey  
**D**  
This old house is never locked  
**G**  
Even Tiggy Winkers needn t need to knock  
I promise you

**D Am**

[Chorus]

**G D**  
Wind blows and heaven knows  
**Em D**  
That sun can turn to rain
