

By Your Side
Faber Drive

G **F#m/G9** **Em/G9**
I ll turn off the lights and let you sleep

F#m/G9 **C9**
Just close your eyes relax and breathe,

D **G**
In slowly, no, don t feel lonely Cause

F#m/G9 **Em/G9**
I ll be right here, by your side

F#m/G9 **C9**
If you should awake into the night, Keep dreaming Cause

D
I ll be keepin your

CHORUS 1

G **D** **Em/G9**
Heart in mine,

C9 **D**
Don t you know I ll always be near

G **D** **Em/G9**
Even in the hardest time,

C9
Don t you know I m always right here

Em/G9 **C9**
When you re feeling lost

G
Don t give up because,

C9
It s alright,

Am **D**
When you close your eyes,

G
I m by your side

The same Chords are used from the second verse up to the chorus

Em/G9 C9 G

Laying flat on our backs

D

We stared up at the sky

Em/G9 C9 G

We were laughing so hard,

D

We had tears in our eyes

Em/G9 C9 G C9

Our future s before us Our worries behind,

D

Just you and I

G F#m/G9 Em/G9

I ll turn off the lights and let you sleep,

F#m/G9 C9

Just close your eyes, relax and dream,

Solem stumming

G D Em/G9

And Heart in mine,

G D Em/G9

Even in the hardest time

Solo drum thing

Em/G9 C9

When you re feeling lost

G

Don t give up because,

C9

It s alright,

Am D

When you close your eyes,

G

I m by your side
