No, nobody stop, everybody move

**D**

Get up and dance g-get up and dance

**A**

Move your body b-b-body

**Bm**

C mon and move your body, move your body body

Verse:

**Bm**

Were lining up the shots

**G**

For every friend we got

**D**

Lets spend a couple more

**A**

Before we hit the floor

**Bm**

And when they start the beat

**G**

We ll take it to the street

**D**

Oh here s my limousine

**A**

Whos coming home with me

**G**

**A**

Tonight, tonight, were gonna do it right so
