Intro: B--E--G#m-F#-E

Verse 1:

**E**            **F#**            **G#m**  
I count down the days  
                 **B**  
until we say goodbye  
**E**                    **F#**        **G#m**  
I wish there was a way  
                 **B**  
that I could just stop time  
**E**            **F#**            **G#m**  
Forever remember summer  
                 **B**  
nights we spent together  
**E**                    **F#**  
On my car counting stars  
**G#m**                    **A**(hold)  
Just wishing I

Chorus 1:

**B**  
could stay  
(I know we only met  
                                 **E**  
a month ago) with you  
(It s always hard to

let the feelings go)

**G#m F# E**

When summer fades to fall

**B**

I d stay (I should have  
know that this would

**E**

come and go) with you

(And now we ll only

get the afterglow)

**G#m F# E F#**

When summer fades to fall

Verse 2:

**E F# G#m**

Far away from you

**B**

Only time will tell

**E F# G#m**

When you re back in school

**B**

Will you meet someone else?

**E F#**

Remember, forever

**G#m B**

Summer nights we spent together

**E F#**

Holding hands, making plans

**G#m A(hold)**

Just wishing I

(Repeat Chorus 1)

Bridge:

**G#m**

Everytime I think of you

**E**

I don t wanna face the truth

**B**

Why wait forever knowing

**C# G#m**

we may never following through

Guess I should get over you

**E**

But I can t let go so soon

**B**

I ll wait forever knowing

**C# E F#(hold)**

we may never follow through for you

**B(hold)**

I count down the days  
until we say goodbye  
I wish there was a way

**E**

that I could just stop  
(hold)  
time Just wishing I

Chorus 2:

**B**

could stay  
(I know we only met

**E**

a month ago) with you  
(It s always hard to  
let the feelings go)
