

Tongue Tied
Faber Drive

VERSE:

D

Bright cold silver moon

A

Tonight alone in my room

Bm

G

You were here just yesterday

D

Slight turn of a head

A

Eyes fell when you said

Bm

G

I gess i need my life to change

D

A

Seems like somethings just not the same

G

What could i say

CHORUS:

D

I need a little more luck then a little bit

Bm

Cuz everytime i get stuck the words won t fit

G

And everytime that i try I get tongue tied

A

I need a little good luck to get me by

D

I need a little more help then a little bit

Bm

Like the perfect one word no one s heard yet

G

Cuz everytime i try to get tongue tied

A

D

I need a little good luck to get me by this time

VERSE:

D

I stare up at the stars

A

I wonder just where you are

Bm

G

You feel a million miles away

D

Was it something i said

A

Or something i never did

Bm **G**
Or was i always in the way
D **A**
Can someone tell me what to say
G
To just make you stay

CHORUS:

D
I need a little more luck then a little bit
Bm
Cuz everytime i get stuck the words won t fit
G
And everytime that i try I get tongue tied
A
I need a little good luck to get me by
D
I need a little more help then a little bit
Bm
Like the perfect one word no one s heard yet
G
Cuz everytime i try to get tongue tied
A **D**
I need a little good luck to get me by this time

BRIDGE:

D
I know it feels like again
A
Dont want to be here again
Bm
And we could help each other
G
Off the ground so we never fall down again
D
And what it takes i dont care
A
Were gonna make it i swear
Bm
And we could help each other
G **G**
Off the ground so we never fall down again...Again

CHORUS:

D
I need a little more luck then a little bit
Bm
Cuz everytime i get stuck the words won t fit
G
And everytime that i try I get tongue tied
A
I need a little good luck to get me by

D

I need a little more help then a little bit

Bm

Like the perfect one word no one s heard yet

G

Cuz everytime i try to get tongue tied

A

D

I need a little good luck to get me by this time

BRIDGE:
