

Blind

Face to Face

[Verse]

What if I m right and you are wrong?
What if you knew it all along?
What if I figured out that I did not belong?
What if it always bothered me?
What if I never did believe?
Would it be wrong if I decided I should leave?

[Chorus]

If I pretended I was blind
And struck it from my mind
Would it still be there?
What if I d do anything to make it seem all right
It s all right

[Verse]

What if it s all inside my head?
What if those words were never said?
Would it be easier if I could just forget?
What if I didn t run away?
Could it be any other way?
Would it be wrong if I decided I should stay?

[Chorus]

If I pretended I was blind
And struck it from my mind
Would it still be there?
