

**North By North
Faded Paper Figures**

Capo 2

G **Em** **C** **G**
North by northâ€” lest we have to settle down
G **Em** **C** **G**
we can sail without the wind in this town
G **Em** **C** **G**
Things that London never saw
G **Em** **C** **G**
Northern winters start to thaw;
Em **C**
To islands on the sea,
G **C**
lands Iâ€™ve never seen,
G **Em** **C** **G**
things will get calmerâ€”follow me.

Am **G6** **C**
You said a long long time ago
G **Am**
you were happy being someone
Am **G6** **C**
Let s go far far far from home
G
I ll be glad to be with someone

Am, Em, G (x2)

G **Em** **C** **G**
Land pneumonia, your engines in repair;
G **Em** **C** **G**
plant begonias, and orchids in your hair.
G **Em** **C** **G**
Continents all made of clay
G **Em** **C**
Dreamers leaving every day
Em **C**
To islands on the sea,
G **C**
lands Iâ€™ve never seen,
G **Em** **C** **G**
things will get calmerâ€”follow me.

G Em C G
Someone told me you had oceans in your eyes
G Em C G
Cold as shadows over European skies
G Em C G
Coasting out the shallow day
G Em C G
Leaving London in decay
 Em C
To islands on the sea,
G C
lands Iâ€™ve never seen,
G Em C G
things will get calmerâ€™ follow me.
