

North By North
Faded Paper Figures

Capo 2

G Em C G
North by northâ€” lest we have to settle down
G Em C G
we can sail without the wind in this town
G Em C G
Things that London never saw
G Em C G
Northern winters start to thaw;
Em C
To islands on the sea,
G C
lands Iâ€™ve never seen,
G Em C G
things will get calmerâ€”follow me.

Am G6 C
You said a long long time ago
G Am
you were happy being someone
Am G6 C
Let s go far far far from home
G
I ll be glad to be with someone

Am, Em, G (x2)

G Em C G
Land pneumonia, your engines in repair;
G Em C G
plant begonias, and orchids in your hair.
G Em C G
Continents all made of clay
G Em C
Dreamers leaving every day
Em C
To islands on the sea,
G C
lands Iâ€™ve never seen,
G Em C G
things will get calmerâ€”follow me.

G **Em** **C** **G**
Someone told me you had oceans in your eyes

G **Em** **C** **G**
Cold as shadows over European skies

G **Em** **C** **G**
Coasting out the shallow day

G **Em** **C** **G**
Leaving London in decay

Em **C**
To islands on the sea,

G **C**
lands Iâ€™ve never seen,

G **Em** **C** **G**
things will get calmerâ€™ follow me.
