

Stuck On You

Failure

This isn't the exact tuning, but this is just how I play my acoustic cover of the song :) I hope this can help some people out.

G **Bb**

I heard you driving in my car

Em

Then in a frozen bar

Am

C

G

And I claimed I didn't care for you

Bb

But your verse got trapped inside my head

Em

Over and over again

Am

C

You played yourself to death in me

G **Bb**

I thought I'd drop you easily

Em

But that was not to be

Am

C

G

You burrowed like a summer tic

Bb

Em

So you invade my sleep and confuse my dreams

Am

C

Turn my nights to sleepless itch

G **Bb** **Em**

Stuck on you till the end of time

Am

C

G

I'm too tired to fight your rhyme

Bb

Em

Stuck on you till the end of time

Am

C

You've got me paralyzed

G **Bb**

Holding on the telephone

Em

I hear your midrange moan

A_m **C** **G**

You're everywhere inside my room

B_b **E_m**

Even when I'm alone I hear your mellow drone

A_m **C**

You're everywhere inside of me

G **B_b** **E_m**

Stuck on you till the end of time

A_m **C** **G**

I'm too tired to fight your rhyme

B_b **E_m**

Stuck on you till the end of time

A_m **C**

You got me trapped inside

Bridge:

G **B_b** **E_m** **A_m**

I can't escape your incessant whine

C **G** **B_b** **E_m** **A_m**

When you beam it out all across the sky

C **G** **B_b**

No I can't escape

(stuck on you till the end of time)

E_m **A_m**

your insipid rhyme

(I'm too tired to fight your rhyme)

C **G** **B_b**

When you shoot it deep

(stuck on you till the end of time)

E_m **A_m** **C**

Straight into my mind

End on **G**
