

**After Halloween**  
**Fairport Convention**

*Intro:* C Am

*Verse*

C Am  
Red and gold and Halloween have passed us by  
C Am Gm  
The charcoal branches lean against the rosy sky

You are so far away and I could touch you if I may

But don't you worry now, I'm only dreaming anyway

*Verse*

C Am  
You may be lonely, you may be just on your own  
C Am Gm

But who am I and do we really live these days at all  
C Am D G Bm  
And are they simply feelings we have learnt and do recall

*Bridge*

Oh, the sea has made me cry  
Bm Am D  
But I love her too, so maybe I love you

*Verse*

C Am  
Tears are only made of salt and water  
C Am Gm  
And across the waves, the sound of laughter  
A7 Ab G  
October, it has gone and left me with a song  
C Am D G  
That I will sing to you, although this moment may be wrong
