Song: Cell Song (Swarbrick)
Album: Babbacombe Lee (1971)
Artist: Fairport Convention

D G

There s a tiny little window and the sun comes shining through

D G Em

Dancing with the dust that s in my cell

D (

There s a sparrow sitting on the sill and he stays for a minute or two \mathbf{r}

But he s frightened by the ringing of the bell

D

There s a bed that I must lie on when at night I take my rest

D G A

And a chair for me to sit on through the day

D G

The men who wait beside me always know what s best

D G A

For a man who doesn t have too much to say

D G A

Throw a laugh into the corner, blow a tear against the wall

ת פ

Learn a game to play, improve the mind

D G

Confess your sins, you sinner, and think how the seconds fall

D G A

Leave all earthly cares and woes behind

D G Em

And when my short affair with life is ended and I m gone

Will you tell the world the story of John Lee?

D G

All you see is nothing and yet everything lives on

D G A

I was born to pay the hangman s fee
