

Love At First Sight  
Fairport Convention

[Intro]

G Em D G x3  
G Em D C D G

[Verse]

Bm C  
Put down as a loner with a taste for things that feel  
Bb C G  
This darkness in her nature that could not be concealed  
Bm C  
Affection for the phony kinds, longing for romance  
Bb C G  
She had a sense of hallowed ground, she joined a Morris Band

[Verse]

Bm C  
Deep down damnation drove her, she has to find that magic  
Bb C G  
She dressed herself in man's attire, as long as it was white  
Bm C  
Hid away her shape before hiding all the signs  
Bb C G  
Found a lonely village, wants to join the Morris Band

[Chorus]

Bm  
It was love at first sight (love at first sight)  
Bb  
To this vision in white (vision in white)  
C  
Come here, you heartbreaker  
D G  
She'll be mine

[Verse]

Bm C  
They came from east to west, within the village bounds  
Bb C G  
To find a spot to use to get ready for the round  
Bm C  
She spoke a lot lower than she did the day before  
Bb C G  
A strange effect was on her as she danced across the floor

[Chorus]

Bm  
It was love at first sight (love at first sight)

**Bb**

To this vision in white (vision in white)

**C**

Come here, you heartbreaker

**D**

She ll be mine

[Instrumental]

**G C D**

**G C G C D G D**

[Verse]

**Bm C**

Thinking she ll be Morris cool, underneath the stair

**Bb**

**C**

**G**

She has to make that conjure run, she would not kiss and tell

**Bm**

**C**

She felt a strange attraction for the way until they left

**Bb C G**

As he looked into her eyes, her secret was not kept

[Verse]

**Bm**

**C**

Oh, take me to the village, we can see the dancers there

**Bb C G**

Bringing in the steps you ll know, there s something in the air

**Bm**

**C**

So he told me I looked good, my looks have really turned the tide

**Bb C G**

Now they bring their kids along, another Morris side

[Chorus]

**Bm**

It was love at first sight (love at first sight)

**Bb**

To this vision in white (vision in white)

**C**

Come here, you heartbreaker

**D**

She ll be mine

[Chorus]

**Bm**

So, true love at first sight (love at first sight)

**Bb**

To this vision in white (vision in white)

**C**

Come here, you heartbreaker

**D**

She ll be mine, all mine

[Intro]

**G Em D G x3**
