

Six Days On The Road
Fairport Convention

[Intro]

[Verse 1]

Well, I pulled out of Pittsburgh, down the Eastern seaboard
I got my diesel wound up, she s running like never before
There s a speed zone ahead on the right
But I can t see a cop in sight
Six days on the road and I m gonna make it home tonight

[Verse 2]

I got ten forward gears and a George Overdrive
I m takin little white pills and my eyes are opened wide
Well, I just passed a Jimmy and White
I m passing everything in sight
Six days on the road and I m gonna make it home tonight

[Verse 3]

Well, the ICB is checkin on down the line
I m a little overweight and my logbook s way behind
Nothing bothers me tonight
I m gonna dodge all the scales, alright
Six days on the road and I m gonna make it home tonight

[Instrumental]

[Verse 4]

Well, it seems six weeks since I kissed my baby goodbye
Well, I could have a lotta women, but I m not that kind of guy
Well, I could find me one to hold me tight
But I could never make believe it s alright
Six days on the road and I m gonna make it home tonight

[Verse 5]

My rig s a little old, that don t mean she s slow
I ve got a good thing going, since I pulled that bag of coal
My hometown is coming into sight
Well, if you think I m happy, you re right
Six days on the road and I m gonna make it home tonight
