Someone told me there s a grace that leads you straight from place to place

**B** **E** **G#m**  
And you always leave the road behind you

**B** **E** **G#m** **F#**  
You don t need your horses shod, just a dowser and his rod

**B** **E** **G#m**  
Leave your mistress, she won t need to find you

**C#** **F#**  
Oh please, journeyman, help me on my way

**C#** **F#**  
Oh please, help me please, I won t be afraid

**C#** **F#**  
Oh please, journeyman, help me on my way

**C#** **F#**  
Oh please, help me please, I won t be afraid

**B** **E** **G#m** **F#**  
Leave my weary flesh and bone to a circle made of stone

**B** **E** **G#m**  
Take me to the mountains for my pleasure

**B** **E** **G#m** **F#**  
And if the dead man won t depart, drive a stake into his heart

**B** **E** **G#m**  
And let me ere deliver him his leisure

**C#** **F#**  
Oh please, journeyman, help me on my way

**C#** **F#**  
Oh please, help me please, I won t be afraid

**C#** **F#**  
Oh please, journeyman, help me on my way

**C#** **F#**  
Oh please, help me please, I won t be afraid

**C#** **F#**  
Oh please, journeyman, help me on my way

**C#** **F#**  
Oh please, help me please, I won t be afraid

**C#** **F#**  
Oh please, journeyman, help me on my way

**C#** **F#**

Oh please, help me please, I won t be afraid

**B** **E** **G#m** **F#**  
When you see the race is run and the dark has just begun

**B** **E** **G#m**  
Come on with the few and leave the many

**B** **E** **G#m** **F#**  
There you ll find the journeyman with a lantern in his hand

**B** **E** **G#m**  
He ll show you a good time for a penny

**C#** **F#**  
Oh please, journeyman, help me on my way

**C#** **F#**  
Oh please, help me please, I won t be afraid

**C#** **F#**  
Oh please, journeyman, help me on my way

**C#** **F#**  
Oh please, help me please, I won t be afraid
