

**Wandering Man**  
**Fairport Convention**

[Intro]

**Am G/B C D**

[Verse]

**G C G C D**

See how a wandering man crosses the open plain

**Am G/B C D Em C D**

Sure foot, inclusive he divines, you know it s not in vain

**C D**

That he travels

**C D Em C D**

Footprints left in the earth, show how far he s come

**Am G/B C D Em C D**

A long way from a baby he was born, into this great unknown

**Am D**

That he travels

[Verse]

**G C G C D**

Deep down in the diamond mines, he could fall and cut his skin

**Am G/B C D Em C D**

Fooled by a trick of the light, the way that he came in

**C D Em C D**

There s a land beneath the moon, after his damp and cold

**Am G/B C D Em C D**

A place where everything s been said, but nothing has been told

**Am D**

Back the shadows

[Chorus]

**C D G**

He could lift his head and turn to the sun

**C D**

To bury that borderline

**Em G C Bm**

Freedom is only as good as you feel

**Am G/B C D**

So grasp and hold this moment in time

[Verse]

**G C G C D**

Lives on an ancient ground for his company

**Am G/B C D Em C D**

Casting out the shadows of doubt, wherever he may be

**C D Em C D**

Soldier of the peaceful way, fighting from dusk til dawn

**Am G/B C D Em C D**

Everything s been ripped apart, but nothing has been torn

**Am** **D**  
Except the shadows

[Chorus]

**C** **D** **G**  
He could lift his head and turn to the sun  
**C** **D**  
To bury that borderline  
**Em** **G** **C** **Bm**  
Freedom is only as good as you feel  
**Am** **G/B** **C** **D**  
So grasp and hold this moment in time

[Instrumental]

**G** **C** **G** **C** **D**  
**Am** **G/B** **C** **D** **Em** **C** **D**  
**C** **D** **Em** **C** **D**  
**Am** **G/B** **C** **D** **Em** **C** **D** **Am** **D**

[Verse]

**G** **C** **G** **C** **D**  
Could I be a wandering man, making my way to you  
**Am** **G/B** **C** **D** **Em** **C** **D**  
You re on my mind all of the time, in everything I do  
**C** **D** **Em** **C** **D**  
All great ventures ever made, needed a place to start  
**Am** **G/B** **C** **D** **Em** **C** **D**  
So every step I m planning today, might take me to your heart  
**Am** **D**  
That it travels

[Chorus]

**C** **D** **G**  
So I lift my head and turn to the sun  
**C** **D**  
And bury that borderline  
**Em** **G** **C** **Bm**  
Freedom is only as good as you feel  
**Am** **G/B** **C** **D**  
So grasp and hold this moment in time  
**Em** **G** **C** **Bm**  
Freedom is only as good as you feel  
**Am** **G/B** **C** **D**  
So grasp and hold this moment in time

[Outrol]

**G** **C** **G** **C** **D**  
**Am** **G/B** **C** **D** **Em** **C** **D**
