

Motion Sickness
Fairweather

Fairweather - Motion Sickness

Verse:

D A G
Ever feel like there s so much more to life
D A G
But you just have no clue how to reach it right now?
D A G
Sick of all the talk between friends

All the things that offend

D A G
Desire everything to be set straight but we can t go back in time

Chorus:

D A G Bm A G
Please don t leave without saying goodbye to me
D A G Bm A G
It s only me running after you cause you re everything I need

Verse:

D A G
Sour spirit mixed with the autumn disposition
D A G
Never looking out farther than my own room
D A G
I tell myself I ll forget you.

I know that s not true

D A G
I just hate to be around when things break down between us

Chorus:

D A G Bm A G
Please don t leave without saying goodbye to me
D A G Bm A G
It s only me running after you cause you re everything I need

Bridge:

Bm A G x4

Bm A G
And all the times we spent together.

Bm A G
All the nights we screamed wooooaa!

Bm A G Bm

I cant remember what its like to feel alright.

A **G**

I can t let go of what s killing me. So!

Bm A G Bm

So this is my apology to you.

A G

I hope you know I love you.

Bm A G

Lets put back together the world we built between us.

Bm A G

I m sorry, I m sorry.
