When we don't talk, When we don't touch  
When it doesn't feel like we're even in love

Don't know if it really even matters to you  
How can I make you see  
It matters to me.

Oh and I don't know what to say  
Don't know what to do  
Don't know if it really even matters to you

Oh it matters to me.  
Oh it matters to me.  
It matters to me.
